Hi predator Tom Goldstein. If one more time I'll hear threats [REDACTED] I'll go to
procecuter office to do domestic complain! And that situation at the burning man I'll restore that case if I need too.
[REDACTED] was a huge mistake [REDACTED] U were lucky I dropped charges but this time
no. [REDACTED] So now don't blame me and
dont even try to attacking me ! Dont even start harming other ppl , be responsible for your actions and what u did . Dont
be a coward and blame young girls for all your losses. For lying me about me working at your firm labor department will
taken care of that. So good luck.
